

R E P O R T

On the carrying out of XIX International Scientific-technical conference on transport, road-building, agricultural, hoisting and hauling and military technics and technologies **trans&MOTAUTO'11**

On June 29 and 30 in hotel "[Aqua Azur](#)", resort "[St. st. Konstantin and Elena](#)" was held the **XIX International Scientific-technical conference trans&MOTAUTO'11**.

SCIENTIFIC PROGRAM

In the plenary, section and poster sessions were presented **78 papers, including 39 of Bulgarian authors and 39 (50%) of foreign authors from 17 countries:** Armenia, Croatia, Czech Republic, Estonia, Georgia, Germany, Hungary, Kosovo, Latvia, Macedonia, Romania, Serbia, Slovakia, Slovenia, and Turkey in 4 thematic directions:

- “Internal combustion engines. Fuels. Efficiency” – 15 papers (11 section and 4 poster);
- “Transport technics. Investigation on elements. Reliability“ - 11 papers (7 section and 14 poster);
- “Safety and ecology. Logistics and management. Information technologies”-19 papers (7 section and 12 poster).

PUBLICATIONS

- All papers were published in the International virtual scientific-technical journal "[Machines, technologies, materials](#)" in three consecutive issues – 7, 8, and 9. Additionally to the booklet form, the journal is also available on CD and interned based on the web page of the Scientific-technical union of Mechanical Engineering and on the web page of the [National Scientific-technical Library](#).
- In three separate volumes of the periodical “Scientific proceedings” of the Scientific-technical union of Mechanical Engineering (ISSN 1310-3946)
- Each author received an Author’s scroll, containing the cover, title page, contents and paginated paper from the volume of the journal.

CONCLUSIONS

In qualitative and quantitative aspect the conference managed to preserve its reputation as an international event that consolidates specialist on transport technics and technologies from all technical universities in Bulgaria and attracts the biggest foreign participation from all other “transport” conferences organized in Bulgaria.
